

ANGA COM

DIGITAL

ONLINE CONGRESS

8-10 JUNE 2021

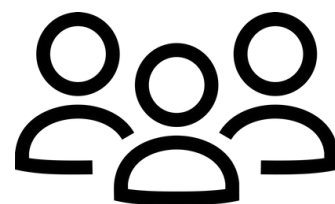

INTERNATIONAL CONFERENCE PANELS

Digital Showrooms
with products,
services and job
offers from over
80 companies

Conference Programme
with over 40 panels on
broadband and media
topics and more than
180 speakers

Networking with AI-
supported
matchmaking and
extensive contact
possibilities

- **Wolfgang Elsäßer**, CEO, blue Entertainment AG
- **Charli Kumar**, SVP Sky Ticket, Sky Deutschland
- **Moderator:** Dr. Jörn Krieger, Media Journalist

10G - Building a Future proofed Network

16:00-17:00 | EN

- **10G Access Developments - Near Term Architectures and Future Evolution**
Jeroen Putzeys, VP Network Sales & SE, EMEA, braun teleCom GmbH / CommScope
- **Building the 10G Network**
David Whitehead, Sr. Director, Cable Access Solution, Harmonic
- **Broadcast Television over DAA - Implementation Insights**
Julius Tikkanen, Vice President, Video Service Platforms, Teleste Corporation

Moderator: Steve Harris, Executive Director, Education and L&D Sales, SCTE - a subsidiary of CableLabs

in cooperation with:

DOCSIS - The clear View: Speculation on Spectrum

17:00-18:00 | EN

- **The Path to 10G Broadband and DOCSIS**
Tom Cloonan, CTO, Broadband Networks, CommScope
- **Evolving HFC Networks to support Spectrum ranges of 1.8GHz and higher**
Jay Lee, Chief Technology & Strategy Officer, Broadband Access, ATX Networks
- **Maximizing System Channel Capacity for limited Total Composit Power (TCP) of 1.8GHz Amplifiers**
Erhard Roppelt, Head of Productmanagement, HUBER+SUHNER Bktel GmbH

Moderator: Mike Thornton, Fellow, SCTE - The Society for Broadband Professionals

in cooperation with:

WEDNESDAY, 9 JUNE 2021

IPTV - Digital Acceleration with New Concepts

10:00-11:00 | EN

- **Sense and Sensibility of the Cloud for Cable Operators**
Nick Fielibert, CTO Video Network, Synamedia
- **Navigating the Encoding and Transcoding Jungle**
Per-Henning Almvang, Chief Information Officer, Appear AS
- **Service Integration for the Customers**
Julian Hens, Head of Sales TV Platform, Zattoo

Moderator: Volker Belz, Partner, Goldmedia

Do App and STB contradict each other?

12:00-13:00 | EN

- **All-in-one IPTV Platform**
Thomas Bichlmeir, Head of Content, Ocilion IPTV Technologies GmbH
- **Durable and Sustainable Design**
Tony Strutt, Sales Director EMEA, SmarDTV Global
- **How Crowd Testing helps improve Company's Streaming Quality**
Giorgio Miano, Enterprise Sales Director, South Europe, Applause

Moderator: Thomas Wrede, Managing Director, Technology Vision Consulting

FTTH - Connecting the Rural Area

13:00-14:00 | EN

- **Rural FTTH Networks: Can there be a viable Business Case?**
Dr. Mitja Golja, Business Development Director, Iskratel
- **WiFi City-Networks - Infrastructure for the Future**
Jörg Schmid, Leitung Produktdesign, Hauff-Technik
- **FTTX Growth - Advantages and TCO by using the FMP**
Florian Drescher, Produktmanager, Kaiser GmbH

Moderator: Carsten Engelke, Technical Director, ANGA The Broadband Association

Beyond DOCSIS 3.1 - Empowering your Network

14:00-15:00 | EN

- **Consumer Connectivity Considerations for DOCSIS 3.1 and beyond**
Nick Padfield, Technical Product Manager, Amphenol Broadband Solutions
- **1.8GHz - Hunting the last Bits**
Rami Kimari, Vice President, HFC Products, Teleste Corporation
- **Building a 1.8GHz Network using your existing Infrastructure**
Jan Ariesen, Chief Technology Officer, Technetix

Moderator: Dr. Jörg Zastrau, EMC and Measurement Group Network, Fixed Access Network Engineering, Vodafone

Intelligent Analytics of your Network - Preventing Failures

15:00-16:00 | EN

- **How Analytics Engines help Businesses better understand viewing Behaviour and protect Network Quality**
Gary Hamer, SVP Sales and Business Development, Smartlabs
- **Enabling Preventive-Network-Maintenance**
Martin Beck, CSO, DCT DELTA AG
- **Service Activation**
Robert Flask, Head of Product Line Management, Cable and Access Instrument Solutions, VIAVI Solutions

Moderator: Brady Volpe, Founder and CEO, The Volpe Firm

Fireside Chat: 10G and beyond - What's on the Broadband Horizon?

16:00-17:00 | EN

- **Mark Dzuban**, President and CEO, SCTE - a subsidiary of CableLabs
- **Phil McKinney**, President and CEO, CableLabs

Moderator: Carsten Engelke, Technical Director, ANGA The Broadband Association

Infrastructure Mixture - FTTx Rollout in the Focus

17:00-18:00 | EN

- **Smart Fttx Infrastructure**
Jochen Arms, Director Sales DACH, ACOME Group
- **Solve the FTTH deployment challenge using the existing wiring: Why the Any-Wire Approach is Key to Success for ISPs**
Fjodor Lamm, Senior Product Manager, devolo AG
- **Ethernet over Coax (EoC), the perfect Way to digitalize Multi-Dwelling Units**
Dr. Rudolf Eyberg, AXING AG

Moderator: Livia Rosu, HomeGrid Forum

WiFi and 5G Campus Networks - The new Partners?

17:00-18:00 | EN

- **Aligning WiFi Innovation with Network Evolution**
Charles Cheevers, CTO, Home Network Solutions, CommScope
- **Carriers View on WiFi - Managing Customer Needs**
Tim Kroll, Product Manager, AVM
- **5G Campus Networks - The Game Changer**
Daniel Wolbers, Head of Bid & Solution Management, Media Broadcast

Moderator: Martin Grosse, Founder and CEO, KOENIGSKLASSE

Empowering Women in Cable

18:00-19:00 | EN

- **Amy Blair**, SVP, Chief People Officer, Liberty Global
- **Vanesa Diaz**, Market Development Manager, Corning Optical Communications
- **Su Guaglianone (Moss)**, Senior Marketing Director, EMEA, CommScope
- **Sandy Howe**, Minim
- **Dr. Andrea Huber**, Managing Director, ANGA The Broadband Association

Moderator: Jana Henthorn, The Cable Center

in cooperation with:

THE **CABLECENTER**

The Women Fireside Chat: Intrapreneurship and Agility to Drive Impact

19:00-19:30 | EN

- **Robyn Bolton**, Intrapreneurship Expert, Intrapreneurship Academy Faculty at The Cable Center
- **Dr. Pamela Meyer**, Agility Expert, Intrapreneurship Academy Faculty at The Cable Center

in cooperation with:

THE **CABLECENTER**

THURSDAY, 10 JUNE 2021

Acceleration through the Cloud: Video goes Virtual

11:00-12:00 | EN

- **Video in the Cloud - Advantages for the Customer**
Stefan Lietsch, CTO, Zattoo
- **Appliance Encoding with the Flexibility of SW for Mezzanine Encoding**
Thomas Lind, Technical Sales, Product & Support Director, Appear AS
- **The Age of Data is over - Insights are the Game-Changer in the World of Content**
Amruta Shankar, Director, Data and Analytics, Synamedia

Moderator: Thomas Wrede, Managing Director, Technology Vision Consulting

Speed up the Fiber Service - Efficient Workflow Processes

14:00-15:00 | EN

- **Connecting Customers, driving Efficiency**
Adrian Wooster, Consultant DKT A/S, braun teleCom GmbH
- **Rapid Deployment Approaches for FTTx Rollouts**
Dr. Gerhard David, Leiter Produkt Management, HUBER+SUHNER Bktel GmbH
- **Getting the most out of Fiber - Fully integrated Gateways**
Henning Kroll, Product Manager, AVM

Moderator: Gerald Plischke, Leiter TV, DNS:NET GmbH

DAA and flexible MAC Architecture

14:00-15:00 | EN

- **Flexible MAC Architecture (FMA)**
Peter Wolff, VP Solutions Architecture, CASA Systems
- **DAA - Remote PHY Leadership and Lesson Learned**
Nikhil Ariscrisna, Technical Architect Lead for Cable, EMEAR, Cisco Systems
- **Professional building digitization based on DOCSIS and Remote-CAAP**
Benedikt Breuer, AXING AG

Moderator: Alan Breznick, Cable/Video Practice Leader, LightReading

Fiber, Virtualization and Multi Access Networks – the next Gen

15:00-16:00 | EN

- **Transitioning the Cable Provider Edge to a Multi-Access Network**
Jorge Figueroa, PON Solutions Manager, Harmonic
- **Cable Virtualization Experience**
Jason Miller, Technical Marketing Engineer, Cisco
- **Standby Power Supplies in the Focus of Virtualization**
Len Visser, Product Manager, Power Solutions, Lindsay Broadband

Moderator: Brady Volpe, Founder and CEO, The Volpe Firm

Streaming Quality - New Concepts for the Video Delivery

17:00-18:00 | EN

- **Using higher resolutions, framerates and HDR**
David Mitchinson, Solution Manager, Appear AS
- **Cloud Deployments using Saas Media Processing and Delivery**
Matan Raz, Senior Product Manager SaaS, Harmonic
- **Scale your Streams - How to reach Viewers on any Screen**
Gerald Zankl, Director of Inside Sales, Bitmovin

Moderator: Stephan Heimbecher, Founder & Managing Director, In media_s res
