Cologne/Germany, 8 April 2022 | ANGA COM has released an **interactive floor plan**, the **complete conference programme** and an **extended exhibitor list** for 2022. The exhibitor list offers search and filter functions as well as extended information about the exhibitors and their location in the two exhibition halls. This enables an optimal preparation of the show visit. The exhibition space for now more than **370 exhibitors** amounts to **over 22,000 sqm**. The Exhibition and Conference for Broadband, Television & Online will take place in **Cologne/Germany** from **10 to 12 May 2022**.

Dr. Peter Charissé, Managing Director of ANGA COM: "We have now reached the home straight for a splendid restart: Initially we were not sure whether we would even need two halls again. Now we have **more quality than ever in both halls**. And the line-up in the **conference programme** is definitely the most diverse and top-class mix we have ever had. Regarding the **quality of stay** we have always been well placed. With our extremely airy and 15-meter-high halls, widened aisles and the open air plaza with food trucks, we will offer all exhibitors and visitors optimal conditions for the first reunion of the European broadband and TV industry."

The **conference agenda for the strategy programme** is already published. Highlights will be five summit discussions: the Digitalization Summit, the International CTO Summit, the Fiber Summit, the Media Summit and the Content Summit. In total, the strategy programme offers 21 panels and over 100 speakers. The speaker list includes C-Level representatives from leading telecommunications and media companies such as Amazon Prime Video, ARD, Deutsche Glasfaser, Deutsche Telekom, Discovery, Liberty Global, M-net, NetCologne, ProSiebenSat.1, RTL, Sky, Tele Columbus, Telefónica and Vodafone. All strategy panels are listed [here](#) on our website; the speakers are named [here](#).

Newly published is the **agenda for the technology programme**. 14 international panels with more than 60 speakers will address the topics FTTH, DOCSIS 4.0, Wi-Fi, RDK, OTT, Cloud Services, Artificial Intelligence and Sustainability. All technology panels are listed [here](#) on our website; the speakers are named [here](#).

Registration for conference and exhibition visitors is possible online at www.angacom.de. Tickets for the exhibition are available for 25.- Euros. Participation in the conference programme can be booked from 120.- Euros. On 12 May 2022, the Theme Day Smart Connectivity, participation in the exhibition and conference is completely free of charge. Registrations are **only possible online** this year; there will be no ticket sales on-site.
