Cologne / Fairgrounds

(Version November 2022: valid for registrations from 01 November 2022)

The special area “Small Enterprise Park” (hereinafter SEP) will take place at ANGA.COM. This area offers an economic possibility to participate, especially for small companies.

Additionally, to our Exhibition Conditions and Technical Guidelines of ANGA.COM, this Special Terms and Conditions are in force. With application for a Small Enterprise Station the exhibitor acknowledges all three documents in all points.

1. Eligibility

1.1 Target Group

The area SEP is especially designed for

- Software Providers
- Content Providers
- Service Providers
- Consultants
- Research and Educational Institutes
- Funding Agencies
- Communities & Authorities

Due to the division, facilities and focus of the Small Enterprise Park, it is not possible for manufacturers of any kind of hardware to exhibit in this special area. Displaying any products on the Small Enterprise Park is prohibited.

1.2 Conditions

- Your company belongs to the target group mentioned in item 1.1
- You do not want to show/exhibit hardware

The following terms concern companies mentioned in a–d of item 1.1 only:

- Your company counts less than 10 employees OR obtains an annual turnover of less than 5 million EUR

Exceptions of this last-mentioned condition are limited to those exhibitors who participate at ANGA.COM for the first time.

2. Application

For participation at SEP the organizer provides an application form. The verification of eligibility will be made by the organizer. It will be based on all aspects mentioned in item 1.

The application is not based on a specific stand area within the hall or a certain Small Enterprise Station within the special area. The exact positioning will be notified with the confirmation of participation after the space allocation is finalized.

The space allocation process will start on 16 January 2023. Applications received by that date will be binding until one month after the beginning of space allocation, i.e. 16 February 2023. Application forms sent after this date can only be considered if there is still space at Small Enterprise Park available. Applications made after 16 January 2023 will bind the exhibitor until one month after receipt.

The Small Enterprise Park will take place only if a sufficient number of exhibitors register for that special area. A final confirmation of participation will be sent until 16 February 2023.
