After receiving your application, we give feedback regarding your eligibility in short-term. The space allocation process will start on 16 January 2023. Applications received by that date will be binding until one month after the beginning of space allocation, i. e. 16 February 2023. Application forms sent after 16 January 2023 can only be considered if there is still space at Streaming & OTT Hub available. Applications made after 16 January 2023 will bind the exhibitor until one month after receipt.
