

**Preview ANGA COM 2023:
More Content, More Video, More Connectivity**

In addition to the continuing boom in fiber optics, this year's ANGA COM from 23 to 25 May 2023 will feature a significantly **improved line-up of content and connectivity topics**. This applies equally to the exhibition and the conference programme.

On **content, TV and streaming**, the exhibition will feature numerous international market leaders such as Agama Technologies, Appear, Ateame, Broadpeak, Green Streams, MainStreaming, MediaKind, M7 Group / Canal+, NAGRA, Ocilion IPTV Technologies, QVC, SES Germany, Skyline Communications, TiVo, Velocix Solutions, Verimatrix, VIDDI and Zattoo.

The innovative theme area of **connectivity and consumer devices** will also grow significantly in 2023. Leading vendors such as AVM, CommScope, devolo, eero, an Amazon Company, Hitron Technologies, Huawei Technologies, Linksys, Nokia, Plume, ruwido, TP-Link, ZTE and Zyxel Communications will be present in the exhibition halls.

The **conference programme** includes top-level speakers from the TV and streaming industry from Amazon Prime Video, ARD, DAZN, EXARING (waipu.tv), Foxxum, IMG Media, Joyn, M7, Netflix, Ocilion IPTV Technologies, Paramount, ProSieben, RTL, Samsung TV Plus, Sat.1, SPORT1, Sky and Zattoo. Content topics include IPTV, OTT, AppTV, streaming, user interfaces, content discovery, media and copyright law.

Dr. Peter Charissé, Managing Director of ANGA COM: "One of the trademarks of ANGA COM has always been that we closely **combine the topics networks and broadband with content and connectivity**. This will be significantly expanded this year. Parts of this are the new exhibition area for Media Distribution, the Streaming & OTT Hub and the Innovation Stage directly in the exhibition hall. The top-class and international line-up of exhibitors speaks for itself."

After the brilliant restart in 2022, ANGA COM, **Europe's leading Exhibition and Conference for Broadband, Television & Online** already counts more than 420 exhibitors and 25,000 sqm gross exhibition space for 2023. That is more space than before the pandemic. From **23 to 25 May 2023 in Cologne/Germany**, ANGA COM will bring together network operators, vendors and content providers on all issues of broadband and media distribution.

Registration for conference and exhibition visitors is possible [online](#); there will be **no ticket sales on-site**. Tickets for the exhibition are available for 25.- Euros. Participation in the conference programme can be booked from 130.- Euros. On 25 May 2023, the Theme Day Fiber & Municipalities, participation in the exhibition and conference is completely free of charge. Those who already have a regular exhibition or conference ticket do not need to register separately for this day.

Exhibition and Sponsoring: The website offers all information on [stand booking](#) as well as [advertising and sponsoring](#). Further details on the event and numerous customer reviews from the broadband and media industry can be found in the [fact sheet](#). The website also provides a wide range of [videos and photos](#).

ANGA COM is Europe's leading Exhibition and Conference for Broadband, Television & Online. It brings together network operators, vendors and content providers on all issues of the broadband and media distribution. The last ANGA COM counted 390 exhibitors from 33 countries and more than 18,000 participants from 82 countries. Amongst the participants were 520 network and platform operators serving more than 200 million households all over Europe, as well as 250 media companies. 40 percent of the participants belonged to the senior level. Cooperation partners of this year's conference programme are Arista Networks, atene KOM, Deutsche TV-Plattform, Egon Zehnder International, Ernst & Young, Ocilion IPTV Technologies

and VATM. Sponsoring partners are AVM, QVC and SES Germany. The next show date is 23 to 25 May 2023 in Cologne/Germany.
