

## ANGA COM 2023 starts in 2 Weeks: Top 10 Reasons to Attend

- Exhibition and Conference for Broadband, Television & Online from 23 to 25 May 2023 in Cologne / Germany
- Over 470 exhibitors from 35 countries on more exhibition space than before the pandemic
- Extended international conference programme with 240 speakers
- Interactive floor plan, exhibitor list, programme and registration at [www.angacom.de](http://www.angacom.de)

Cologne/Germany, 9 May 2023 | Even more fiber optics, even more international, even more media technology: In exactly two weeks **ANGA COM 2023** will start in absolute top form. True to the event motto “**Where Broadband meets Content**”, network operators, vendors and content providers will meet at Europe’s Exhibition and Conference for broadband and media distribution from **23 to 25 May 2023** on the **Cologne** fairgrounds.

### Top 10 Reasons to Attend:

1. Over **470 exhibitors from 35 countries**: 30 percent more exhibition space than 2022, 10 percent more than before the pandemic ([exhibitor list](#), [floor plans](#))
2. Optimal networking opportunities including the **open air plaza with food trucks**
3. Evening event **ANGA COM Night** at the Rheinterrassen with 1,500 guests ([ANGA COM Night](#))
4. Numerous **side events** and booth parties from exhibitors ([events](#))
5. **International conference programme** with 61 panels, over 3,500 minutes content and more than 240 speakers ([strategy programme](#), [technology programme](#), [Innovation Stage](#), [speaker list](#))
6. **Digitalization Summit** and **Gigabit Summit** with Deutsche Glasfaser, Deutsche GigaNetz, Deutsche Telekom, M-net, NetCologne, Tele Columbus, Unsere Grüne Glasfaser, Vodafone Deutschland and willy.tel
7. **Media Summit** and **Content Summit** with Amazon Prime Video, ARD, DAZN, Netflix, Paramount, ProSiebenSat.1, RTL, Telekom Deutschland and WELTN24
8. **NEW: International FTTH Summit** with an international podium discussion and joint showcases from vendors and network operators on fiber optic expansion in Europe on 24 May 2023
9. **NEW: Streaming & OTT Hub with Innovation Stage** on video, streaming and connectivity in hall 7, free access also for exhibition visitors
10. **NEW: Theme Day Fiber & Municipalities** on 25 May 2023 with free entrance to the exhibition and conference

Dr. Peter Charissé, CEO ANGA COM: “Last year we had a brilliant restart with unexpected 18,000 participants. This year, we have significantly increased again in all areas: even more exhibitors, even more conference programme, even more internationality. All signs point to three wonderfully energetic, inspiring and busy days.”

**Registration** for conference and exhibition visitors is possible [online](#); there will be **no ticket sales on-site**. Tickets for the exhibition including access to the Innovation Stage are available for 25.- Euros. Participation in the regular conference programme can be booked from 130.- Euros. On 25 May 2023, the Theme Day Fiber & Municipalities, participation in the exhibition and conference programme is completely free of charge. Those who already have a regular exhibition or conference ticket do not need to register separately for this day.

All information on the event is available online at [www.angacom.de](http://www.angacom.de). Further details and numerous customer reviews from the broadband and media industry can be found in the [fact sheet](#). The website also provides a wide range of [videos and photos](#).

ANGA COM is Europe's leading Exhibition and Conference for Broadband, Television & Online. It brings together network operators, vendors and content providers on all issues of the broadband and media distribution. The last ANGA COM counted 390 exhibitors from 33 countries and more than 18,000 participants from 82 countries. Amongst the participants were 520 network and platform operators serving more than 200 million households all over Europe, as well as 250 media companies. 40 percent of the participants belonged to the senior level. Cooperation partners of this year's conference programme are Arista Networks, atene KOM, Broadband Forum, Business France, Deutsche TV-Plattform, Egon Zehnder International, EY, Greening of Streaming, NLconnect, Ocilion IPTV Technologies and VATM. Sponsoring partners are AVM, QVC and SES Germany. The next show date is 23 to 25 May 2023 in Cologne/Germany.
