*Cologne/Germany, 16 May 2023* | In exactly one week, ANGA COM 2023 will start in top form. Europe's largest exhibition and conference for broadband and media distribution will take place from **23 to 25 May 2023**, on the **Cologne** fairgrounds. Compared to 2022, the number of exhibitors has grown from 390 to **more than 470 companies from 35 countries**, the booked exhibition space by 30 percent. This is also significantly more than before the pandemic. [Exhibitor list](#) and [floor plans](#) are available online.

With its [strategy programme](#), the [technology programme](#) and the new [Innovation Stage](#) in hall 7 (free access also for all exhibition visitors), ANGA COM offers 61 panels, more than 240 speakers and over 3,500 minutes of content. More than 90 speaker slots will be held in English. The speaker list is available [here](#). In total, there will be **three completely new conference formats**, two have been specially created for international participants: The International FTTH Summit on fiber roll-out in Europe and the Innovation Stage focusing on Streaming, OTT and Connectivity. The third new format is the Theme Day Fiber & Municipalities on 25 May 2023, when participation in the exhibition and conference programme is completely free of charge.

In addition, ANGA COM offers optimal networking opportunities including the **open air plaza with food trucks** and numerous **side events** and booth parties from exhibitors ([events](#)).

In order to plan the exhibition and conference attendance the best way, the **ANGA COM event app** is available. Its functions include the exhibitor and product list, interactive floor plan, up-to-date conference agenda and a networking tool. The ANGA COM app can also be used offline; download is free of charge for [iOS](#) and [Android](#).

Dr. Peter Charissé, CEO ANGA COM: "All key figures for ANGA COM are excellent. This applies equally to the line-up of exhibitors, the expanded conference programme and the current status of visitor registrations. I am particularly excited about our new features such as the Innovation Stage, the International FTTH Summit and the free of charge Theme Day. Together with various booth parties and side events of our exhibitors, we will again significantly expand social networking in addition to business this year."

**Registration** for conference and exhibition visitors is possible [online](#); there will be **no ticket sales on-site**. Tickets for the exhibition including access to the Innovation Stage are available for 25.- Euros. Participation in the regular conference programme can be booked from 130.- Euros. On 25 May 2023, the Theme Day Fiber & Municipalities, participation in the exhibition and conference programme is completely free of charge. Those who already have a regular exhibition or conference ticket do not need to register separately for this day.

All information on the event is available online at [www.angacom.de](http://www.angacom.de). Further details and numerous customer reviews from the broadband and media industry can be found in the [fact sheet](#). The website also provides a wide range of [videos and photos](#).

ANGA COM is Europe's leading Exhibition and Conference for Broadband, Television & Online. It brings together network operators, vendors and content providers on all issues of the broadband and media distribution. The last ANGA COM counted 390 exhibitors from 33 countries and more than 18,000 participants from 82 countries. Amongst the participants were 520 network and platform operators serving more than 200 million households all over Europe, as well as 250 media companies. 40 percent of the participants belonged to the senior level. Cooperation partners of this year's conference programme are Arista Networks, atene KOM, Broadband Forum, Business France, Deutsche TV-Plattform, Egon Zehnder International, EY, Greening of Streaming, NLconnect, Ocilion IPTV Technologies and VATM. Sponsoring partners are AVM, QVC and SES Germany. The next show date is 23 to 25 May 2023 in Cologne/Germany.
