Innovative **media distribution** topics such as IPTV, Streaming, OTT and Cloud TV as well as **Connectivity and Smart Home solutions** are becoming increasingly important. With the further developed Streaming & Connectivity Hub, ANGA COM will offer a **special exhibition area** for this in 2025.

The area is located in hall 7 in the central entrance area between the show boulevard and the popular open air plaza. In the centre of the hall are the **Streaming & Connectivity Hub** and the **Innovation Stage**, a stage for short talks, panels and presentations directly in the exhibition hall.

Your package at the Streaming & Connectivity Hub

The Streaming & Connectivity Hub offers small providers from the media distribution and connectivity sectors a **Plug & Play Solution** with little organizational effort:

- **Premium position** in a central location in the immediate vicinity of the **Innovation stage**
- **Stand space** incl. attractive and modern stand construction
- **including** furniture, logo branding, WIFI, 55" monitor, daily cleaning, waste disposal, electricity connection and consumption
- **Lounge and Café-Mobile** (self-pay)
- **Speaker Slot** at the Innovation Stage
- **Exhibitor entry** in the ANGA COM exhibitor list (App & Website)
- **3 free exhibitor passes**
