Cologne/Germany, 28 April 2026 | Countdown to **ANGA COM 2026**: From **19 to 21 May**, Cologne will once again become the hot spot for the telecommunications and media industries. Alongside 440 exhibitors from 44 countries, Europe's leading Exhibition and Conference for Broadband, Media and Connectivity offers a **strong international conference programme** focusing on the latest strategies, technologies and innovations: **40 discussion panels, presentations and round tables will take place in English or with German/English simultaneous translation**. Come and join us for three days full of business, networking and new inspiration!

Topics of the international panels in English language:

- **International CEO Panel: Wholesale, B2C and Data Center ***
- **International CTO Panel: Really 100% FTTH or still a Need for FTTB? ***
- **Circularity and Resilience** (in cooperation with The SCTE - Society for Broadband Professionals)
- **Next-Gen Access** (in cooperation with Broadband Forum) *
- **AI's role to monetize the home** (in cooperation with Broadband Forum) *
- **Cybersecurity** (2 panels in cooperation with NLconnect and InfraNum)
- **Accelerated Expansion and Operation through the use of AI**
- **Data Center Infrastructure enables Broadband Services**
- **Syndeo Institute at The Cable Center, USA: The Transatlantic CX Dialogue ***
- **FTTH Adoption and Monetization ***
- **Next-Gen Home Broadband Experience**
- **QoE and QoS**
- **Optical LAN**
- **AI recommendations ***
- **Agentic AI in production ***
- **Streaming Security 2026 and NIS2 ****
- **Fiber's price trap – premium prices are killing customer demand ****
- **C2PA ****

All panels and topics marked with "*" take place on the [Innovation Stage](#) in exhibition hall 7 that offers free access for all visitors. The panels and topics marked with "**" are part of the new "[ANGA COM Round Tables](#)", an interactive conference feature that offers in-depth exchange in smaller groups. Also here, participation is free of charge for all visitors; a pre-registration is required. [Visitor tickets](#) are already available for 25.- Euros.

Highlights of the panels that will be translated simultaneously (German/English):

- **Keynote of the German Federal Minister for Digital Transformation** (Dr. Karsten Wildberger)
- **Gigabit Summit** with the CEOs of Vodafone Deutschland, Telefónica Deutschland, Deutsche Glasfaser and NetCologne

- **CEO Interview: Stephan Schmitter, CEO RTL Deutschland**
- **TV and Streaming Summit** with RTL, ProSiebenSat.1, ARD, Telekom Deutschland and Zattoo
- **Fiber Summit:** How do we make FTTH a Success Story?
- **Municipalities Summit:** Financing, Cooperation and Resilience
