plus VAT

ANGA COM InnoTech Area

With the "InnoTech Area," ANGA COM 2027 offers a new, compact platform for technological pioneers. This special exhibition area is specifically designed for **smaller companies, startups, and specialists in software-based solutions – for example in the fields of documentation and AI**. As a dedicated space for innovation, exchange, and networking, it invites participants to present, discuss, and collaboratively develop new approaches.

Your Package in the InnoTech Area

The InnoTech Area offers smaller exhibitors a plug-and-play solution that requires minimal organizational effort:

- **Premium location** in a central area and right next to the Innovation Stage
- Dedicated **station** with a compact stand construction solution
- **Including** furniture, logo branding, Wi-Fi, a monitor, daily cleaning, trash removal, and electricity
- **Exhibitor entry** in the ANGA COM exhibitor list (App & Website)
- **Free admission vouchers** for your clients
- 2 free **exhibitor passes**
