Cologne/Germany, 8 October 2019 | ANGA COM is Europe's leading Exhibition and Conference for Broadband, Television and Online. It brings together network operators, vendors and content providers on all issues of the broadband and media distribution. The next show date is **12 to 14 May 2020 in Cologne/Germany**. The **visitor registration for conference and exhibition** is available online at [www.angacom.de](http://www.angacom.de). An exhibition ticket costs 22.- Euros, conference tickets start at 100.- Euros.

**Key topics** of ANGA COM 2020 are Gigabit Networks, FTTH, 5G, Wifi, Fixed Mobile Convergence, OTT, AppTV, Cloud TV, Video Streaming, Smart City and Smart Home.

With Vodafone, Deutsche Telekom, RTL and a large number of local fiber network operators, the Cologne area is **Europe`s leading business hub for broadband and media**. About 40 million people live within a radius of only 250 kilometers. Three international airports (Cologne, Dusseldorf, Frankfurt) can be reached in less than one hour.

The **exhibitor registration** as well as the booking of promotion and sponsoring elements are also possible via the website.

In 2019, ANGA COM set an outstanding record with **more than 20,000 participants** and **over 500 exhibitors**. Amongst the participants from a total of 83 countries were **540 network and platform operators** serving more than 200 million households as well as **370 media companies** from all over Europe. 44 percent of the participants belonged to the senior level.

Further information and impressions can be found in our fact sheet and in the photo and video gallery at [www.angacom.de](http://www.angacom.de).

---

ANGA COM is organized by a subsidiary of the Association of German Cable Operators (ANGA) and has been supported by ZVEI (Satellite & Cable) for many years. In 2019, the event attracted over 500 exhibitors from 35 countries and more than 20,000 participants from 83 countries. With a 47 percent share of international visitors ANGA COM provides a broadband and audio-visual media focused marketplace for network operators, vendors and content providers for the whole of Europe.
