- New area focusing on Streaming and AppTV with Innovation Stage in hall 8
- Excellent booking situation with already over 90 percent of the exhibition space sold
- Booking of stands, sponsoring elements and visitor tickets is available online

Cologne/Germany, 11 February 2020 | **Europe's leading Exhibition and Conference for Broadband, Television and Online** brings together network operators, vendors and content providers on all issues of the broadband and media distribution. The next ANGA COM will take place from **12 to 14 May 2020** in Cologne/Germany.

For the **Broadband Summit "Gigabit and 5G – How to achieve a profitable Roll-Out"** on Wednesday, 13 May we have received confirmations from top-class speakers:

- **Dr. Hannes Ametsreiter**, CEO, Vodafone Deutschland
- **Timo von Lepel**, Managing Director, NetCologne
- **Uwe Nickl**, CEO, Deutsche Glasfaser
- **Martin Witt**, CEO, 1&1 Telecommunication / Drillisch Netz
- **Dr. Dirk Wössner**, Board Member, Deutsche Telekom

The summit will be moderated by the **journalist and TV presenter Anna Planken**. The complete conference programme will be published in March. More top speakers can be found on our website [www.angacom.de](http://www.angacom.de).

This year, ANGA COM has created a **new area focusing on Streaming and AppTV** in the exhibition hall. Within its core areas of broadband and audio-visual media, ANGA COM will thus further enhance new TV topics. The Streaming and AppTV Hub in hall 8 includes a **new presentation area** directly in the exhibition hall, **the Innovation Stage**. For this new conference format, **applications for keynotes** on innovative topics in the fields of Streaming, AppTV and OTT can be submitted on our website [www.angacom.de](http://www.angacom.de) until 10 March 2020.

Three months in advance, ANGA COM 2020 is once again showing an excellent booking situation. More than 400 exhibitor registrations have already been received for **over 90 percent of the exhibition space of the previous year**. Secure one of the last available stand spaces now: ANGA COM offers **different space, stand and meeting options** as well as numerous **sponsoring and advertising possibilities** for exhibitors and other interested companies. More information can be found on our website [www.angacom.de](http://www.angacom.de).

The **visitor registration for conference and exhibition** as well as for the evening event ANGA COM Night in the "Rheinterrassen" on 12 May 2020 is possible online at [www.angacom.de](http://www.angacom.de). An admission ticket to the exhibition costs 22.- Euros for three days upon prior online registration (ticket office on-site: 35.- Euros), conference season tickets start at 100.- Euros.

In 2019, ANGA COM set an outstanding record with more than 20,000 participants and over 500 exhibitors. Amongst the participants from a total of 83 countries were 540 network and platform operators serving more than 200 million households all over Europe, as well as 370 media companies. 44 percent of the participants belonged to the senior level.

With Vodafone, Deutsche Telekom, RTL and a large number of local fiber network operators, the Cologne area is Europe's leading business hub for broadband and media. About 40 million people live within a radius of only 250 kilometers. Three international airports (Cologne, Dusseldorf, Frankfurt) can be reached in less than one hour. These are unique conditions to showcase our industry to Europe and beyond.
