Cologne/Germany, 7 June 2021 | Tomorrow, Tuesday, marks the start of the conference programme of **ANGA COM DIGITAL**, a new virtual event format of ANGA COM – Exhibition and Conference for Broadband, Television & Online. The digital platform with interactive showrooms, webinars and keynotes from more than **80 leading companies of the broadband and media industry** is already open. Onboarding is possible at any time after **free registration**.

**The AI-powered platform is fully responsive.** All functions, the showrooms as well as the conference programme, the product list and the On Demand Library can be used with any mobile device. The platform is already open and will be online **until the end of June**.

The official conference programme includes 45 panels with a total of 180 speakers, of which **20 panels focus on fiber optics and 15 on media topics**. The **international programme** provides 23 panels in English including various cooperation panels with CableLabs and SCTE.

In the technology programme, the digital partners of ANGA COM DIGITAL will present the **latest trends and developments, especially in HFC, FTTX, Streaming and OTT**. Amongst the speakers are the **platinum partners** Ocilion IPTV Technologies and Vodafone as well as the **gold partners** Appear, AVM, AXING, braun teleCOM, Cisco, CommScope, gabo Systemtechnik, Harmonic, HUBER+SUHNER, Teleste and Zattoo.

The speaker list as well includes a huge number of **Europe's leading fiber and cable network operators**: Vodafone, Deutsche Telekom, Virgin Media, 1&1, Tele Columbus, TDC, EWE TEL, Deutsche Glasfaser, NetCologne, M-net, wilhelm.tel, GASLine, Deutsche GigaNetz and many more.

The presence of the **media industry**, a special trademark of ANGA COM in times of convergence and streaming, is again first class: Amazon Prime Video, BILD, Canal+, Constantin Film, Discovery, Joyn, ProSiebenSat.1, QVC, RTL, Sky, Sport 1 and WDR.

Dr Peter Charissé, Managing Director of ANGA COM: "Since the platform opened last week, I already have learned much more about our partner companies and their product portfolios than I had previously known. **It's really great fun to surf through the showrooms and product presentations on the smartphone every now and then.** The keynotes and webinars in the On Demand Library, which many partners produced especially for our event, are absolutely impressive. Tons of expertise extremely convenient to use, simply amazing!"

The complete conference programme is available on the website [www.angacom.de](http://www.angacom.de) in the section "[ANGA COM DIGITAL > Agenda](#)". **Registration for ANGA COM DIGITAL is free of charge.** It is still possible to book a **digital partnership** with a digital showroom. All necessary documents are available online at [www.angacom.de](http://www.angacom.de).

counted more than 500 exhibitors from 35 countries and 20,000 participants from 83 countries. Amongst the participants were 540 network and platform operators serving more than 200 million households all over Europe, as well as 370 media companies. 44 percent of the participants belonged to the senior level.

In 2021, ANGA COM has launched a new virtual event format with ANGA COM DIGITAL. The new online congress will take place on a digital event platform from 8 to 10 June 2021. Platinum partners of ANGA COM DIGITAL are Ocilion IPTV Technologies and Vodafone. The next date for the physical show is 10 to 12 May 2022 in Cologne/Germany.
