Cologne/Germany, 19 September 2019 | ANGA COM has started a completely new website and the stand booking process for exhibitors. The next show date is **12 to 14 May 2020 in Cologne/Germany**. The **exhibitor registration** as well as the booking of promotion and sponsoring elements is available on the new website at www.angacom.de.

Key topics of ANGA COM 2020 are Gigabit Networks, FTTH, 5G, Wifi, Fixed Mobile Convergence, OTT, AppTV, Cloud TV, Video Streaming, Smart City and Smart Home.

Dr. Peter Charissé, Managing Director of ANGA COM: "With more videos and photos, our **new website** provides an enhanced audio-visual experience of our event. We have also significantly improved the **user convenience and service orientation**. Preparations for ANGA COM 2020 are already in full swing. Hot topics will include Fixed Mobile Convergence, Streaming and AppTV."

ANGA COM is Europe`s leading Exhibition and Conference for Broadband, Television and Online. It brings together network operators, vendors and content providers on all issues of the broadband and media distribution. In 2019, ANGA COM set an outstanding record with **more than 20,000 participants** and **over 500 exhibitors**. Amongst the participants from a total of 83 countries were **540 network and platform operators** serving more than 200 million households as well as **370 media companies** from all over Europe. 44 percent of the participants belonged to the senior level.

ANGA COM will take place in Cologne also in the next three years. With Vodafone, Deutsche Telekom, RTL and a large number of local fiber network operators, the Cologne area is **Europe`s leading business hub for broadband and media**. About 40 million people live within a radius of only 250 kilometers. Three international airports (Cologne, Dusseldorf, Frankfurt) can be reached in less than one hour.

Further information and impressions can be found in our **fact sheet** and in the **photo and video gallery** on the new website at www.angacom.de.

ANGA COM is organized by a subsidiary of the Association of German Cable Operators (ANGA) and has been supported by ZVEI (Satellite & Cable) for many years. In 2019, the event attracted over 500 exhibitors from 35 countries and more than 20,000 participants from 83 countries. With a 47 percent share of international visitors ANGA COM provides a broadband and audio-visual media focused marketplace for network operators, vendors and content providers for the whole of Europe.
